## St. Tarcissus Faith Formation Office Flocknote Form

6

The Faith Formation Office (Religious Education, Sacrament Preparation and other programs) uses *Flocknote* to send electronic communication to parents. Information is sent to the email of the parents' choice. We ask that each family give us one email (two at the most), as we pay for each email on Flocknote. Please contact the Faith Formation Office with your email address updates. You may update your email information by sending an email to st.tars\_rep@yahoo.com.
